JUICYFISH

REEL IN THE HAZE

...

Savor all the haze with none of the hassle when you crack open JuicyFish, a tropical and citrus-forward Hazy Double India Pale Ale created alongside our pals at Pinthouse Brewing. You'll be hooked on waves of pineapple, guava, and papaya from Azacca, bright grapefruit zest from Citra, and the best of both worlds from Eclipse hops. It's no wonder JuicyFish is as smooth as it is bold—what a catch!
